## Lavell was “swiping like a ninja.” Now he’s debt-free!

When Lavell was 18, he received a credit card he didn't apply for. Like many people in this same situation, he started racking up a

high balance quicker than he had ever imagined. With the help of the national nonprofit [GreenPath Financial Wellness Program](#), Lavell was able to work himself out of debt and form better financial habits for the future.

We've partnered with GreenPath to help you achieve your financial goals. GreenPath helps by providing KTVAECU Members **FREE** financial counseling, debt management programs, and countless other resources to help you take control of your finances. Their qualified, certified counselors meet you where you are and help you get where you want to be.
