

FACTS ABOUT FRAUD

Tennessee had over 8,000 complaints of online fraud in 2023. Victims lost more than \$161 million.

About **28%** of people acknowledge they do not use a strong password for financial account logins.

LOGIN

Most people have their account information saved on at least one retailer's website.

One in three Americans report being a victim of a cybercrime.

It costs less than \$5.00 for fraudsters to purchase stolen card information. A victim's social and birthday can cost up to \$100.00.
