# *Christmas in July*

Years of Tradition

After the Great Depression, celebrations of any kind were hard to come by. But in the mountains of North Carolina, hard times just meant getting more creative with what you had. During the summer of 1933, Keystone Camp held the first “Christmas in July” where campers exchanged handmade gifts.

That spirit of celebration, rooted in fun and family, is why we celebrate Christmas in July with our Christmas Club Savings Accounts. For 85 years, we’ve been celebrating, too - by helping Members do more with what they have!
